ROHS and REACH Statement

11th December 2024

We declare that all EZO and SMB ball bearings are fully ROHS 3 compliant and comply with EU directive 2011/65/EU & 2015/863/EU - they contain no banned substances contained according to both EU directives.

We also declare that, apart from bearings listed below, these goods do not contain Substances of Very High Concern as per the REACH candidate list dated 27th June 2024.

Non-compliant: EZO brand 3-part axial bearings with flat washers:
F2-6, F3-8, F4-10, F5-11, F6-12, F7-15, F8-16, F9-17, F10-18

All our bearings are free from conflict minerals.

All our bearings are free from animal derivatives.

Our standard products do not contain Perfluoroalkyl and Polyfluoroalkyl Substances (PFAS). However, if the products are requested with specialist PFPE lubricants such as Krytox, Kluber Barrierta, Castrol Braycote, the lubricants will contain PFAS.

This declaration is valid for all previous & future supplies of these bearings. We undertake to inform you immediately if this declaration is no longer valid.

C. Johnson
Director
